CARE FOR WORK ENVIRONMENTS®

# STATE SCRUB®

Lotionized Skin Cleaner with Power Activated Pumice

## POWER-ACTIVATED PUMICE

State Scrub contains power-activated pumice which acts like microscopic scrub brushes digging out embedded dirt, grease and grime allowing it to easily be rinsed away. This heavy-duty skin cleaner can be used with or without water.

## LOTIONIZED FORMULA

Scrub is tough on dirt, yet kind to your skin. State Scrub contains lanolin and special skin emollients to help prevent drying, chapping and cracking of skin. The lotionized skin cleaner leaves skin soft and supple without an oily or sticky residue.

## LIGHT FRAGRANCE

The light fragrance won't linger on skin or leave a heavy perfume odor.

## DIRECTIONS FOR USE:

Apply a small amount of State Scrub to your hands. Work thoroughly into the skin to effectively loosen all dirt and grime, then wipe dry with a clean paper towel or cloth. Can be used with or without water. If water is used to rinse, warm water is preferable.

Please review label and SDS for all product directions, precautions and first aid information

## TECHNICAL INFORMATION:

**APPEARANCE:** viscous, blue-green liquid

**FRAGRANCE:** fresh, clean scent

**pH:** 5.5-7.5

**SHELF STABILITY:** two years

## Soap Factory® Sr.

### LIQUID HAND SOAP DISPENSER

Made of ABS plastic, the Soap Factory Sr. is built to last. Its Stainless Steel pump is virtually indestructible, and guarantees that the dispenser will hold up in the worst industrial conditions. Four different adjustment settings to control usage.
