Avance Warewashing Solutions®

KITCHEN KLEEN

Concentrated Food Safe Degreaser

Avance Kitchen Kleen is great for heavy soil removal anywhere grease and grime appear. Also, will remove inks, crayon, makeup, food spills, rubber marks, algae and mildew stains. A combination of surfactants, conditioners, and pine oil emulsify oily and greasy soil and lifts it from the surface. Being butyl free, this industrial strength cleaner can be used on food contact surfaces with a clear water rinse. May also be used to clean walls, floors, exhaust fans, hood filters and more.

DIRECTIONS FOR USE

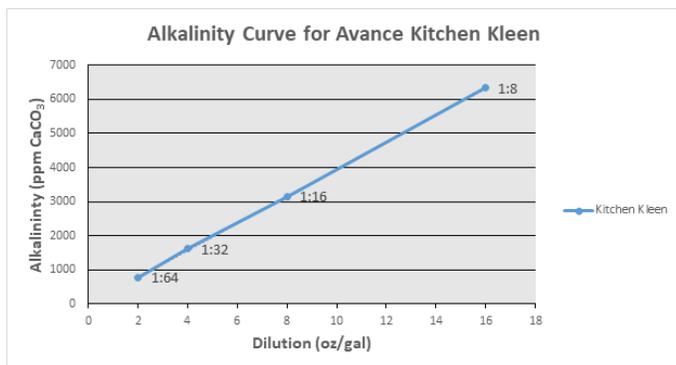

For light duty cleaning dilute 2 ounces (1:64) Kitchen Kleen to one gallon of cold tap water. Apply to surface. Surfaces must be thoroughly rinsed with potable water before re-use.

For medium duty cleaning dilute 4 ounces (1:32) Kitchen Kleen to one gallon of cold tap water. Apply to surface, then agitate with cloth or brush if necessary. Surfaces must be thoroughly rinsed with potable water before re-use.

For heavy cleaning dilute 8 ounces (1:16), or for extra heavy cleaning dilute 16 ounces (1:8) Kitchen Kleen to one gallon of cold tap water. Apply to surface. Surfaces must be thoroughly rinsed with potable water before re-use.

Pressure sprayer: Dilute 16 ounces of Kitchen Kleen to one gallon cold tap water. Spray on soiled area and let the solution penetrate for several minutes on heavily soiled areas. Surfaces must be thoroughly rinsed with potable water before re-use.

ALKALINITY CURVE

TECHNICAL DATA

APPEARANCE: Dark purple color

pH (CONCENTRATE): > 12.5

STABILITY: Minimum one year

VOC CONTENT: Less than 0.5%
