

KLEEN UP™ ORANGE

Kleen up Orange is a heavy-duty skin cleaner with power-activated pumice which works hard to remove embedded dirt, grease and grime from hands. Special skin emollients prevent skin from drying and chapping.

Kleen Up Orange has a great citrus scent. They won't leave any sticky or oily residues behind after washing.

DIRECTIONS FOR USE:

Apply a small amount of product into hands. Rub into the skin to effectively loosen all dirt and grime, then rinse with warm water.

Persons subject to food handling are to wash hands and rinse with potable water after use of this product. Avoid food contamination.

Please review label and SDS for all product directions, precautions and first aid information.

TECHNICAL DATA:

APPEARANCE: viscous orange liquid

FRAGRANCE: citrus scent

pH: 7.5-8.5

SHELF STABILITY: two years

Soap Factory® Sr.

LIQUID HAND SOAP DISPENSER

Made of ABS plastic, the Soap Factory Sr. is built to last. Its Stainless Steel pump is virtually indestructible, and guarantees that the dispenser will hold up in the worst industrial conditions. Four different adjustment settings to control usage.
